5.3	4,2	2,28	1,22	480cm (5)	340 kg	1082	825kg / 11	90 (67,1)	40 (29,8)	165
5,5	4,4	2,28	1,22	480cm (5)	360 kg	1217	825 / 11	115 (85,7)	40 (29,8)	200

* As each craft is hand built weights are approximate and apply to boat and standard equipment. Allowance must be made for engine weight, fuel and accessories

Features & Standard Equipment

Hull

Proven deep 'V' multi chine hull design for quick responsive handling. Producing superior performance and stability in offshore conditions in harshest of sea states

High strength, low weight specification, extra durable hull design – manufactured from top quality Lloyds approved material or equivalent.

Wide Beam – capable of a larger heavier carrying capacity

Raised Full Width Floor – for maximum deck area with non-slip GRP textured finish

Unsinkable Air Tight Hull Compartment – full draining system

Raised Bow Stowage Compartment – fully drainable c/w removable access hatch

Rear Deck Drain Well – for dry deck and quick effective water bailing

High Sheer Bow – offering a smooth dry ride in rough water conditions

High Raised reinforced Transom – for minimum water intake

Buoyancy Tube

5 Air Chambers

CE certification – quality assurance to the European Recreational Craft Directive

Superior design 1100 DTX hypalon Inflation collar - manufactured in house.

5 Year fabric warranty – World wide top quality recognition, extra durable

Outer 'D' profile protective fendering– 150mm deep moulded rubber

Vertical 'D' profile strake At bow - offering additional protection at bow

Open Bow Stowage Compartment – fully drainable

Boarding life lines – positioned externally on straight of collar

Grab handles x 4 - to aid launch and recovery

Standard Equipment

One Person Jockey Style Steering Console – comprises of high level battery hatch to battery shelf compartment, deck level fuel compartment (capacity up to 70L fixed or 2 x 25L portable tanks), stainless back rail c/w rear grab loop, upholstered seat cushion and back pad

N.F.B (no feed back) Steering System – renowned for excellent control with predictable handling, up to **150HP** rating.

Ventura – extra large trunk, ensuring quick effective water bailing

Bow winch eye/anchor point - external heavy duty 'U' bolt

Inflation pump

Repair kit

Owner's manual
